I would like to express my gratitude for your donation to Baylor College of Medicine. Through the generous giving spirit of donors like you, Baylor is able to thrive as an internationally recognized medical institution.

Over the past year, philanthropy propelled many of our successes in education, research, patient care and community outreach. Friends and partners of the Baylor family came together to help patients diagnosed with challenging diseases, fund exciting research enterprises and provide learning opportunities for underprivileged students. You encourage us to achieve the amazing.

For more information about Baylor's latest discoveries and events, I invite you to visit our website at [www.bcm.edu](http://www.bcm.edu). Thank you for your support.

Sincerely,

**Matt Piede**  
Assistant Vice President  
Institutional Advancement and Alumni Affairs

*Thank you for your  
generous support!*

## BAYLOR COLLEGE OF MEDICINE

### FACTS & STATISTICS

#### FACT #1

According to *U.S. News & World Report*, Baylor College of Medicine ranks No. 1 among medical schools across Texas.

#### FACT #2

In 2018, Baylor College of Medicine launched the Genetic Counseling Program to train students how to serve as indispensable navigators of genetic service delivery.

#### FACT #3

The National Institutes of Health selected Baylor's internationally renowned Human Genome Sequencing Center as one of three centers to lead the *All of Us* Research Program, a nationwide study that will collect genomic data to ultimately improve population health.

*"The world is forever changing. Supporting Baylor is helping make positive changes in the world of Health Science."* – Karen and John Huff

All contributions are tax deductible as allowable by law. Unless otherwise stated, no goods or services were provided by Baylor College of Medicine, a 501(c)(3) organization, in exchange for this gift.
